## POST SHOW REPORT

# MININGMETALS UZBEKISTAN EXHIBITION – WHERE YOUR BUSINESS STRIKES GOLD

Uzbekistan's mining and metallurgical industry holds strategic importance for the national economy, serving as a foundation for the development of many sectors. With some of the richest natural resource reserves, the country is actively expanding the extraction and processing of mineral raw materials, which not only meets domestic demand but also strengthens Uzbekistan's position in international markets. Continuous focus on modernization ensures sustainable growth and competitiveness of the industry on the global stage.

SILVER  
SPONSOR

**miningmetals**  
UZBEKISTAN

**Established: 2006**

**Status: An international exhibition of the mining and metallurgical industry in Uzbekistan**, held annually and bringing the top manufacturers and specialists in one place. The event showcases the full range of technologies and services for the mining and processing sectors.

## THE MISSION OF **MININGMETALS** UZBEKISTAN IS

---

**to create a B2B platform** for  
presenting advanced technologies  
essential for increasing productivity  
and expanding the scale of mineral  
extraction and processing.

# OFFICIAL SUPPORT:

- » Committee of the Legislative Chamber of the Oliy Majlis of the Republic of Uzbekistan on Entrepreneurship, Competition Development and Industry
- » Ministry of Mining Industry and Geology of the Republic of Uzbekistan
- » Ministry of Investment, Industry and Trade of the Republic of Uzbekistan
- » Chamber of Commerce and Industry of the Republic of Uzbekistan
- » Uzbekistan Metallurgy Association
- » Tashkent City Khokimiyat

# MININGMETALS UZBEKISTAN 2025: FACTS & FIGURES

miningmetals  
UZBEKISTAN

Total exhibition  
area (gross): / sq.m

**6 454**

Number  
of unique visitors

**3 033**

Companie  
and brands:

**150+**

Number  
of professional visits

**4 095**

Number  
of countries

**15**

*Canada, China, Czech Republic,  
Germany, India, Iran, Kazakhstan,  
Republic of Korea, Kyrgyzstan,  
Latvia, Mongolia, Russia, Turkey,  
United Kingdom, Uzbekistan*

**National  
pavilion**

Germany

# SECTIONS OF THE EXHIBITION

miningmetals  
UZBEKISTAN

Mineral processing

Open-pit  
and underground mining

Exploration

Environment

IT technologies and automation  
of technological processes  
in the mining industry

Metallurgy

Mechanical engineering

Machine tool production  
and industrial automation

# PARTICIPANT STATISTICS

## Geography of participants:

**150** + from **15**  
companies and brands countries

Canada, China, Czech Republic, Germany,  
India, Iran, Kazakhstan, Republic of Korea,  
Kyrgyzstan, Latvia, Mongolia, Russia, Turkey,  
United Kingdom, Uzbekistan

**German National Pavilion:**  
**16 leading manufacturers** under  
the “MADE IN GERMANY” brand

**The Russian Federation** presented a collective  
stand from the Nizhny Novgorod Region

Extensive participation from **China** —  
**51** companies

## NATIONAL PARTICIPATION OF UZBEKISTAN:

- » **Navoi Mining and Metallurgical Company (NMMC)** – one of the four global leaders in gold production and the largest gold producer in Central Asia
- » **Almalyk Mining and Metallurgical Complex (AMMC)** – the largest producer of copper, silver, and gold in Central Asia
- » **Navoiuran** – a leader in the extraction and processing of natural uranium and rare metals
- » **Uzmetkombinat** – a leading enterprise in the ferrous metallurgy sector in Uzbekistan
- » **Uzbek Technological Metallurgical Complex (TMK)** – an enterprise specializing in the development of Uzbekistan’s critically important raw materials

Other companies.

# PARTICIPANT STATISTICS

High participation effect:

**58%**

are regular  
participants

**82%**

achieved their  
participation goals

**94%**

consider participation  
as important for business  
development

**77%**

plan  
to participate  
again next year

# VISITOR STATISTICS

miningmetals  
UZBEKISTAN

Three days,  
impressive results:

**4,095**

total visits, including

**3,033**

unique industry  
professionals

**1,689**

first-time specialists  
exploring the event

**27**

countries

**14**

regions  
of Uzbekistan

• **89%**  
from across  
Uzbekistan

• **11%**  
international  
visitors

## GEOGRAPHY OF INTERNATIONAL VISITORS:

Afghanistan, Azerbaijan, Belarus,  
China, Croatia, Finland, Germany, Iran,  
Israel, Italy, Kazakhstan, Kyrgyzstan,  
Malaysia, Netherlands, Pakistan,  
Poland, Russia, Singapore, Sweden,  
Tajikistan, Thailand, Turkmenistan,  
Turkiye, UAE, UK, USA

## 9 out of 10 visitors

are decision-makers in purchasing  
goods or service

• **94%**  
seek new suppliers  
and business partners

• **92%**  
attended to explore products  
and services for business  
and obtain industry information

# BUSINESS PROGRAMME

## 7<sup>th</sup> Uzbekistan International Mining & Metals Forum – UIMF on the theme:

**Mining Industry of the Future:  
Resources and Strategies**

**2**

days

**7**

sessions

**45+**

speakers

**17**

countries

**500+**

delegates

## KEY TOPICS OF UIMF 2025:

- » Regional and international mining-industry cooperation
- » Key steps and progress trajectories
- » New investment models for economic sustainability in mining and metallurgy
- » Uzbekistan's mineral resource capacity
- » Rare earth elements and strategic metals
- » Aspects of digital transformation in enterprises
- » Solutions for enhancing resource efficiency
- » Workforce development and vocational education in mining and metallurgy
